

Hi, I'm Mike Jacobson, aka Jake, the owner and proprietor of **Emerald Forest Bungalows**. My goal is to give you an experience that is good and wholesome. In other words, a whole lot at a fair price. Spring has finally sprung and thigs are starting to heat up so to speak. If you are thinking about staying at our place start planning early as the cabins start to fill up. The winter season has come and gone, and let me tell you this one was COLD!. I mean chillin'. However, we have a hearty winter crew who loves to cross country ski and snowshoe, yeah baby. Other couples just kicked back and were enjoying each others company. Either way the heat will soon be upon us all so

get out of the house

! The pool, the very cold swimming holes, the BBQs, the camp fires, the

quests

! Once again I have to say that the people who have stayed at our cabins are the

best

. Good wholesome people. These are folks you don't mind hangin' out with. Some who have become good friends of ours.

Thanks everyone for staying at Emerald Forest Bungalows

. So to the rest of you I say come and stay a while. We have fully furnished two bedroom bungalows/cottages for rent, a

, a two acre

that is stocked with large mouth bass and 75 acres to frolic in.
